

# A.S. Flowers LLC

Natural Connection

*We offer a huge variety of high quality of flowers.*

We specialize in bouquets such as (rose + gyp + green), as well as offers in a bunch or bulk.

AS FLOWERS LLC is a emergent company focus on the marketing, commercialization and production of flowers and foliage of amazing quality.

Our experienced team and strategic partnerships allow us to offer our clients a huge variety of products. We strive to supply a plethora of options to our most exclusive clients.

It is also a our commitment and priority to work directly with our farm flower suppliers who are Rainforest Alliance Certified™, we are proud to work hand in hand to invest directly and positively impact the lives of their work force that produces our beloved products.
